1. Call to Order

The administrative executive session meeting was called to order at 1:45 p.m. by Chairperson Brown.

2. Otero/Crowley County Within Grade Increases (WGI)s

According to 27-PM (Rev 2), paragraph 744, employees under permanent or temporary appointments are eligible to receive WGIs when the employee completes the appropriate waiting period of credible service and the COC determined that the employee has provided satisfactory service.

The waiting period for steps 2, 3, or 4 is 52 calendar weeks for full-time employees.

The County Committee (COC) is responsible for granting or denying WGIs, and when considering WGIs for employees other than the CED, the COC will consider the recommendation of the CED and consult with the DD according to 27-PM (Rev 2), subparagraph 746 A.

In the absence of a COC, the STC will complete the tasks that the COC would perform.

Dara Belew, the Otero/Crowley CED requested the approval of the WGI for each eligible program analyst (PA), as follows:

- Lynette Ramirez. The CED requested approval for WGI from Grade CO-9 Step 1 to Grade CO-9 Step 2. The CED currently evaluates Lynette's performance as "Fully

Successful” according to the CO-9 County PA Qualification Standards according to 27-PM (Rev 2), subparagraph 90 A, and recommended approval of the WGI.

- Valerie Toney. The CED requested approval for WGI from Grade CO-7 Step 1 to Grade CO-7 Step 2. The CED currently evaluates Valerie’s performance as “Fully Successful” according to the CO-7 County PA Qualification Standards according to 27-PM (Rev 2) subparagraph 90 A and recommended approval of the WGI.

Both PAs will meet their 52 week or services in their present grade and step on July 26, 2026, and will be eligible for the WGI as of that date.

After thorough review, the STC determined that Lynette Ramirez and Valerie Toney would be granted their WGIs effective July 26, 2026.

3. Otero/Crowley County Promotion

According to 27-PM (Rev 2), subparagraph 377 B, employees in positions graded CO-5 or higher may be noncompetitively promoted to the next applicable grade for their position when they meet the qualification requirement for their position and have completed at least 52 weeks of service at their present grade.

Dara Belew, the Otero/Crowley CED certified that there has been an increase in the difficulty of job duties performed by Valerie Toney according to 27-PM (Rev 2), subparagraph 378 A, and that Valerie Toney meets the qualification standards of Grade CO-9 through experience according to 27-PM (Rev 2), subparagraph 90 A, and is recommending promotion according to 27-PM (Rev 2), subparagraph 378 C.

Valerie Toney will meet her 52 week of service in her present grade July 26, 2026, and will be eligible for the grade promotion as of that date.

After thorough review, the STC determined that Valerie Toney would be promoted to Grade CO-9 effective July 26, 2026. If a promotion and WGI occur on the same date, the employee will be given the benefit of WGI and the promotion will be processed on the same effective date.

4. Adjournment
