Rescheduled per Appellant's request.

4. Common Provisions (CP)

A Reaffirmation of Action Between Meetings – Not for NAP Prevent Plant

Cindy Vukasin, Farm Program Chief, presented the STC with information in Exhibit 1 to review and reaffirm their initial action on an action between meetings item that took place on February 11, 2026.

During an action between meetings on February 11, 2026, via email quorum, the STC overturned the Otero COC approvals of all the CCC-576, Part B, Notice of Loss – Not for NAP Prevented Planting claims, for the 2025 crop year that were approved during their December 18, 2025 and January 14, 2026 COC meetings.

The CCC-576, Part B, Notice of Loss – Not for NAP Prevented Planting claims, for the 2025 crop year did not meet the criteria and FSA policy in FSA Handbook 2-CP (Rev. 6) and 7 CFR section §718.103 for approval. Therefore, the following CCC-576, Part B, Notice of Loss – Not for NAP applications were disapproved by the STC during the action between meetings on February 11, 2026.

Otero COC December 18, 2025 - CCC-576, Part B, Notice of Loss – Not for NAP Prevented Planting applications that have been disapproved by the STC.

After reviewing the supporting documentation and the applicable 7 CFR and 2-CP procedure in Exhibit 1, Kyle McConnell moved to re-affirm the STC February 11, 2026 determination to disapprove all CCC-576, Part B, Notice of Loss – Not for NAP Prevented Planting claims for the producers and their crops listed in the tables above. Steve Raftopoulos, seconded the motion. Motion passed.

B Not for NAP Prevent Plant Applications – Otero

Cindy Vukasin, Farm Program Chief, presented the STC with information in Exhibit 2 to review and make a determination on a CCC-576 Part B, Notice of Loss – Not for NAP Prevented Planting claims for the 2025 crop year for James Michael Day in Otero County which was approved by the Otero COC on February 11, 2026.

The CCC-576, Part B, Notice of Loss – Not for NAP Prevented Planting claims, for the 2025 crop year did not meet the criteria and FSA policy in FSA Handbook 2-CP (Rev. 6) and 7 CFR section §718.103 for approval.

After reviewing the supporting documentation and the applicable 7 CFR and 2-CP procedure in Exhibit 2, Kyle McConnell moved to overturn and disapprove the CCC-576 Part B, Notice of Loss – Not for NAP Prevented Planting claims for the 2025 crop year for James Michael Day that was initially approved by the Otero COC. Darrell Mackey seconded the motion. Motion passed.

C Not for NAP Prevent Plant Applications – Otero

Cindy Vukasin, Farm Program Chief, presented the STC with information in Exhibit 3 to review and make a determination on a CCC-576 Part B, Notice of Loss – Not for NAP Prevented Planting claims for the 2025 crop year for Krista L. Bender in Otero County which was approved by the Otero COC on February 11, 2026.

The CCC-576, Part B, Notice of Loss – Not for NAP Prevented Planting claims, for the 2025 crop year did not meet the criteria and FSA policy in FSA Handbook 2-CP (Rev. 6) and 7 CFR section §718.103 for approval.

After reviewing the supporting documentation and the applicable 7 CFR and 2-CP procedure in Exhibit 3, Kyle McConnell moved to overturn and disapprove the CCC-576 Part B, Notice of Loss – Not for NAP Prevented Planting claims for the 2025 crop year for Krista L. Bender that was initially approved by the Otero COC. Steve Raftopoulos, seconded the motion. Motion passed.

5. Noninsured Crop Disaster Assistance Program (NAP)

A Reaffirmation of Action Between Meetings – NAP Prevent Plant

Cindy Vukasin, Farm Program Chief, presented the STC with information in Exhibit 4 to review and reaffirm their initial action on an action between meetings item that took place on February 11, 2026.

During an action between meetings on February 11, 2026, via email quorum, the STC overturned the Otero COC approvals of all the CCC-576, Part B, Notice of Loss – For NAP Prevented Planting claims, for the 2025 crop year that were approved during their December 18, 2025 and January 14, 2026 COC meeting.

The CCC-576, Part B, Notice of Loss – For NAP Prevented Planting claims, for the 2025 crop year did not meet the criteria in FSA policy Handbook 2-CP (Rev. 6) (7 CFR section §718.103) or Handbook 1-NAP (Rev. 2) (7 CFR section §1437.10) for approval. Therefore, the following CCC-576, Part B, Notice of Loss – For NAP applications were disapproved by the STC during an action between meeting on February 11, 2026.

Otero COC December 18, 2025 - CCC-576, Part B, Notice of Loss – For NAP Prevented Planting applications that have been disapproved by the STC.

9) Cucumber

Janae Rader, Farm Program Specialist, presented the STC with the information in Exhibit 14 to review and make a determination on County Expected Yield (CEY) and Average Market Price (AMP) on Cucumber as recommended in the exhibit.

STC reviewed the proposed County Expected Yield (CEY) and Average Market Price (AMP) on Cucumbers. It was determined that the price of \$388 was not reflective of the Average Market Price and was considered to be low.

After reviewing the applicable policies and supporting documentation (Exhibit 14), Kyle McConnell moved to deny the proposed County Expected Yield (CEY) and Average Market Price (AMP) on Cucumbers as presented for the 2026 NCT. A revised Average Market Price (AMP) on Cucumbers will be presented with supporting documentation at the next STC meeting to reflect a higher AMP. Steve Raftopoulos, seconded the motion. Motion passed.

After reviewing the applicable policies and supporting documentation (Exhibit 26), Kyle McConnell moved to approve the proposed County Expected Yield (CEY) and Average Market Price (AMP) on Watermelon and set a price of \$180.75 for COM SD Watermelon and \$578.00 for SED SD Watermelon presented and shown in the table above for the 2026 NCT. Furthermore the 2019-2023 historical prices for COM SD Watermelon will also be adjusted to reflect the \$180.75 price while the 2019-2023 historical prices for SED SD Watermelon will be adjusted to reflect the \$578.00 price. Darrell Mackey seconded the motion. Motion passed.

6. Conservation Reserve Program (CRP)

A Standard Payment Reduction Waiver for Payne Legacy LCC—El Paso

Hunter Cleveland, Farm Program Specialist, presented the STC with the case file (Exhibit 27) to review and make a determination on El Paso's COC's request to wave 100% of the standard payment reduction assessed Payne Legacy LLC for the noncompliance on CRP contract 11001A.

Payne Legacy LLC succeeded to the General SU CRP contract 11001 on tract 403 consisting of 156.54 acres on February 19, 2025 and was approved on March 27, 2025.

On August 13, 2025, Payne Legacy LLC notified the El Paso County FSA office of the completion of the required mid-contract management of Light Tillage for CRP contract 11001A.

The local NRCS office conducted a certification of performance on August 14, 2025, and determined that the application of the mid-contract management of light tillage did not meet the practice standards due to the following reasons:

- Light tillage was performed during the Colorado Primary Nesting Season of March 15th-July 15th.
- Light tillage was applied in a block tillage method to 100% of the acres in a single fiscal year.

During the December 4, 2025 El Paso COC meeting, the committee determined that Payne Legacy LLC acted in good faith for the following reasons:

- Payne Legacy LLC attempted to contact the NRCS office for guidance prior to

- completing the light tillage but was unable to speak with an NRCS employee.
- Payne Legacy LLC was corporative with the El Paso County FSA Office upon notification of non-compliance.

As a result, the El Paso County Committee assessed a standard payment reduction on contract 11001A, totaling \$3,115.00.

On January 6, 2026, the El Paso County FSA office received a request to waive 100% of the standard payment reduction on contract 11001A from Payne Legacy LLC.

The El Paso County Committee held session on February 4, 2026, and reviewed the request submitted by Payne Legacy LLC to waive 100% of the standard payment reduction.

After reviewing the applicable policies and supporting documentation (Exhibit 27), Kyle McConnell moved to approve the El Paso COC recommendation to waive 100% of the standard payment reduction of \$3,115.00 for Payne Legacy LLC on CRP contract 11001A. Darrell Mackey seconded the motion. Motion passed.

B Contract Management Activity Request – Haying

Hunter Cleveland, Farm Program Specialist, presented the STC with the case file (Exhibit 28) to review and make a determination on recommending NRCS State Technical Advisory Committee's (STAC) recommendation to add haying as an approved management activity for CRP in Colorado to DAFP.

After reviewing the applicable policies and supporting documentation (Exhibit 28), Kyle McConnell moved to recommend haying as an approved management activity for CRP in Colorado to DAFP based on STAC's recommended parameters. Darrell Mackey seconded the motion. Motion passed.
